About Grumeti Fund

The Grumeti Fund is a Tanzanian non-profit organization that works with government, community, and institutional stakeholders as well as local and international partners to conserve wildlife in and around the Grumeti Concession area (Ikorongo and Grumeti Game Reserves and part of Ikona WMA). The Grumeti Fund also promotes and implements various community outreach and livelihood improvement programs. Grumeti Concessions fall within Serengeti and Bunda Districts in Mara Region. Of the 22 villages that are adjacent to the Concession area, 13 are located in Serengeti District, whereas the other 9 are in Bunda.

The Community Outreach department is implementing interventions under three focal areas. These are education support (scholarships & teaching support), rural enterprise development, and environmental awareness in both districts. Collectively, these outreach programs aim at enhancing secure livelihoods, improving household incomes, promoting sustainable living and better environmental stewardship, thereby improving community wellbeing as well as enabling harmonious co-existence of people, wildlife, and their environment.

About Teaching Support Fellowship Program

Through Community Outreach Program, Grumeti Fund is running a fellowship teaching program in primary schools within Serengeti and Bunda districts. This fellowship program aims to help address the shortage of teachers in primary schools around Grumeti Concessions. Advertised fellowship opportunities are for applicants who are qualified and able to effectively teach English, Science, ICT and Mathematics. This fellowship program is part of Grumeti Fund's support to enhance learning outcomes for children and youth in Serengeti and Bunda districts. Successful applicants (teaching support fellows) will be assigned to needy schools where they are expected to compliment teaching in collaboration with resident teachers in respective schools.

Grumeti Fund is looking for qualified applicants who will volunteer in this program for the period of **April to December 2026 with the possibility of an extension to December 2027**. This is not an employment, but the Grumeti Fund will provide a modest stipend to successful applicants to supplement their basic living expenses while serving on the program as teaching support fellows.

Qualifications and abilities required

Interested applicants for this program should possess and be able to demonstrate the following qualifications and attributes

1. Bachelor's degree in education, majoring in **English, Science, Technology, and Mathematics**
2. Excellent command of the English language (both spoken and written) is a **must**.
3. Ability to teach effectively, including through employing required methodologies and innovative approaches in selected subjects
4. Ability to use basic computer applications like Microsoft Word, Excel, and PowerPoint
5. Solid commitment to program goals is a must
6. Only prospective candidates who graduated from 2021-2025 need to apply.
7. Be able to live and work in remote areas of the Serengeti and Bunda districts
8. Ability to work as a team with resident teachers, learners, and the community.
9. Passion for conservation is an added advantage.
10. Possession of sports, artistic, and or unique academic talents is an added advantage.

Mode of application:

Interested applicants who meet the above qualifications should submit their application letters, CVs, and copies of their academic certificates, including at least three (3) contact persons, to: jobapplications@grumeti.singita.com; copying FridaM@grumetifund.org or by postal mail addressed to:
